Not Approved.....	0	Average Daily Ridership 2004-05	89
High School Diplomas Regular.....	12	District Owned Operation	
Other Completions*	0	* Certificates of Completion issued by the district	
Graduation Completion Rate...	92%	** Limited English Proficient (LEP)	

Highlights

This was a year of progress under the leadership of Mike Smith, K-12 principal. Student behavior is better and academics grew as a priority for students. Our enrollment took a 10% jump up enabling us to offer more programs. Improvements continued on our aging facilities. Safety and student environment were the major concerns for improvements. The community continued its solid support with a supplemental levy and very successful fund raisers. Both the boys and girls basketball teams made it to State which helps student moral. Student achievement continued to improve and demonstrated by our ISAT scores.

Progress Towards Meeting Goals

2005-06 Goals	Progress
Implement PowerSchool	PowerSchool is up and running with teachers using the grade book and attendance. The parent access feature will be in place by fall.
Make use of IDLA	First we built a tech center where four students could take IDLA courses. We began encouraging student to take advantage of the additional classes. The second tri we had 11 of 11 students successfully complete courses
Provide additional remediation for math students	Implementation and training with PLATO provided one source of remediation help. We were also able to hire a half time math teacher to provide small class support for our more challenged math students.
Continue growth and achieve AYP	The students made AYP by a greater margin than last year.
Add course offerings at the secondary level	We were able to add an art course that was very successful. IDLA and CSI also provide other choices for our students.
Improve physical environment for students	New lockers were added for the middle school students. Windows were replaced in one room. Safer more user friendly outside doors were put in the gym.
Improve safety and security	Camera coverage for all halls and an intruder detection system increased security.

Note: Rank represents how this district compares to the other public school districts in the State of Idaho; high to low (1 being the highest).

Adequate Yearly Progress and Assessment : 2005-06

Did Richfield District make Adequate yearly progress for 2005-06? No

Percent of the 41 targets that Richfield District made: 97.56%

The goal in our nation is for all students in grades 3 through 8 and 10 to be proficient in reading and math by the spring of 2014. Idaho uses the Idaho Standards Achievement Test (ISAT) and the Idaho Alternate Assessment (IAA) to measure proficiency. This report shows the percentage of students who met state goals for proficiency in reading and math.

More Information is available at: <http://www.sde.state.id.us/admin/ayp05/default.asp>

To Protect the privacy of individual students the following symbols are used.

^ No participation determinations are made for groups of less than 10 students. The participation rate of students in this group is included in district and state totals.

~ No proficiency determinations are made for groups of less than 34 students. The proficiency level of students in this group is included in district and state totals
